SEX AND GENDER

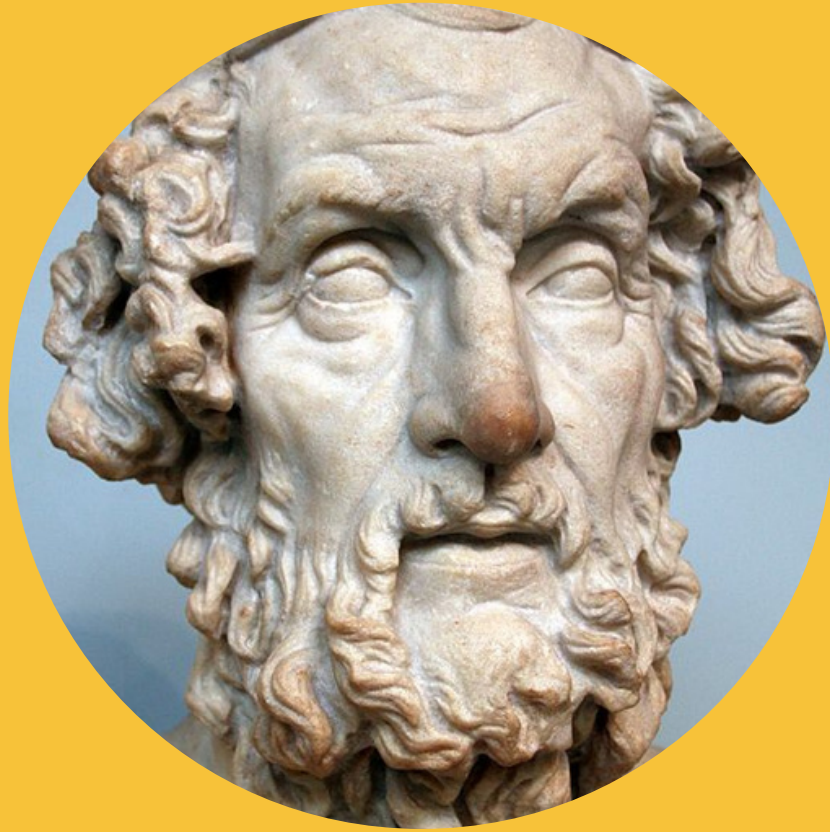

Sex pertains to our biological attributes, while gender is a cultural construct.

“Gender is an invention of modernity.”

Paul B. Preciado

THE CONCEPT OF NON-BINARISM THROUGHOUT HISTORY

Homer's Odyssey

Boccaccio's
Renaissance tales

Christine de Pizan

+ Native American, Maori, and various African ethnic groups

SEX AND GENDER

“Gender ultimately functions as a performance, actively shaping the identity it is presumed to represent. In this context, gender is always an act, but not one performed by a pre-existing subject.”

Judith Butler

DIVING INTO

GWS

Gender, Women, and Sexuality

DEI

Diversity, Equity, and Inclusion

Analyzing how gender and sexuality identity-related issues interact with our societies and in what way these factors shape our cities.

Paris

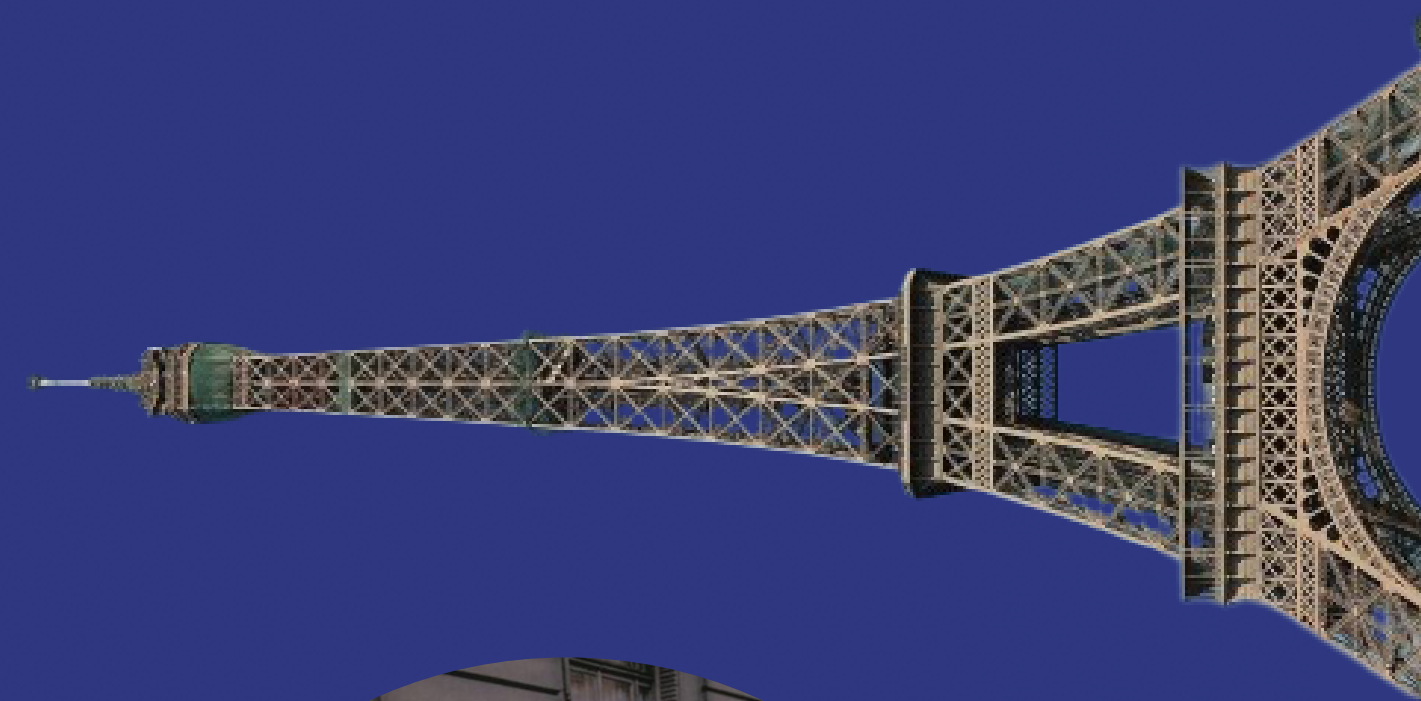

Berlin

Milan
