

# **EASTWEST EUROPEAN INSTITUTE**

## **WORLD IN PROGRESS TURKEY**

**Istanbul**

**July, 23 – 30 / 2018**

World in Progress (WiP) is an innovative and educational project which gives university students the possibility to experience in person today's main challenges of international relations. WiP focusses on experience as it provides a series of study visits during which, students can talk directly with real diplomats, managers of multinational companies, representatives of international think tanks, experts in international relations and also staff members of international organizations, NGOs and civil society.
